1 PRESENTATION DES TROIS TACHES EFFECTUEES

a. PHASE 1 : LECTURE

*Instruction* :

Lisez les passages suivants comme si vous racontiez ces histoires à quelqu’un.

Read the following passages doing as if you are telling these stories to someone.

**Passage 1**

I've always found it difficult to sleep on long train journeys in Britain. For one thing, I can never make myself comfortable in the seat. Then the other passengers usually talk so loudly, or worse still they snore. In addition, there's the constant clickety-click of the wheels on the track. If I do manage to doze off the ticket inspector comes along and wakes me.

**Passage 2**

Sorry I didn't come to dinner at the weekend. I was really looking forward to seeing you again. Unfortunately I had a small accident just as I was getting ready to leave. It was when I went down to fetch
a bottle of wine from the cellar. I didn't bother to switch the light on, tripped on a loose step in the dark, and broke my ankle.

**Passage 3**

My sister is terrified of the dark. She absolutely refuses to go out alone at night. She wants someone to go with her all the time. My father advises her to take the dog with her. At least it would protect her by barking if anything threatened.

**Passage 4**

It's my turn to feed the baby again tonight. I hope she's not off her food. Then there's the bath and getting her ready for bed. That always gets her excited again. Perhaps she'll calm down if I sing to her.
